

# PRIVACY POLICY Didux.io B.V.

We are Didux.io B.V. We respect your privacy and private life, but sometimes we need to process your personal data. In this privacy policy we explain which data we use and how we save, protect and process this data. This privacy policy applies to our Identity App (the "App"). We comply with the General Data Protection Regulation (the "Relevant Legislation").

## Are you under the age of sixteen?

If you are younger than sixteen years old, you cannot use our App without the permission of your parents or legal guardian.

## Personal data

To offer our App we process personal data. "Personal data" means any information relating to an identified or identifiable natural person. This definition used in our Privacy Policy is not identical to the definition of Personal Data as stipulated in the Relevant Legislation for reasons of readability.

## Your permission

We do not store any data outside the App. We are allowed to process your data because we ask your permission via this privacy policy. In addition, we need your data to carry out the agreement between you and us.

We will not process your data without your consent, unless we are legally obliged to do so.

## What data do we collect and how do we use your data?

We do not save any personal data on Didux.io Servers, but we do process/convert images into facial vectors. In later releases this functionality will be made available in the app.

## Security

We work hard to protect your personal data from unauthorized or unlawful access, alteration, disclosure, use or destruction. That way, unauthorized persons do not have access to your data. We take the following measures to protect your personal data:

- Store nothing on our servers
- Store everything encrypted in the App
- Secure network connections with Secure Socket Layer (SSL) technology or a technology that is similar to SSL
- Share only encrypted data between you and organisations with your consent
- Track your shared data in App

## **How long do we store your data?**

We do not store any data on Didux.io Servers. All data is stored encrypted in the App and you own your data. The App allows you to share (parts of) your personal data with other organisations, without losing ownership and control of their data. The shared data is stored in private vaults on the organisations servers.

## **How to delete your data?**

We do not store any data on Didux.io Servers. All data is stored encrypted in the App and you own your data. The App shows what, when and Why you shared data with an organisation or person. You can always delete your personal data from the App. Staying in control of your personal data.

## **Transfer**

We will only process your data within the European Union. We will only process your data outside of the European Union if the country has an effective protection level for your data.

We will never transfer your data to other countries or other parties then described above.

## **Modifications to this privacy policy**

We may update our privacy policy from time to time. When we change this privacy policy in a significant way, we will post a notification on our Website along with the updated privacy policy. We also inform users that are registered with an email address in case of any significant moderation. If you are not registered as a user we advise you to visit the Website and this policy regularly.

## Your rights

The data we collect is personal. Therefore, you have the following rights:

- You may request access to the personal data we process about you;
- You may request us to correct, update, shield or delete your personal information in our records. In the event of fraud, non-payment, or other wrongful act, we can keep some data in a register on a blacklist;
- You may request a copy of the personal data we have processed about you. We can - on your request - send this copy to another party, so you don't have to send the data yourself;
- You may file a complaint against processing your data;
- You may file a complaint with the Dutch Data Protection Authority(Autoriteit Persoonsgegevens), if you are under the impression that we process your data unlawfully;
- You may always withdraw your consent to process your data. We cannot process your data from the moment you withdraw your consent.

Should you have further questions regarding this privacy policy, please contact us via the information below.
